

# BUHL HIGHWAY DISTRICT OVERLEGAL PERMIT

BHD-05  
REV Oct 2024  
Page 1 of 2

## SECTION I - APPLICANT INFORMATION (TO BE COMPLETED BY APPLICANT/PERMITTEE)

I hereby request an Overlegal Permit for Buhl Highway District jurisdictional roads per the information provided and the conditions listed below. (A separate Permit is required for each vehicle)

NAME OF APPLICANT/PERMITTEE \_\_\_\_\_ APPLICANT/PERMITTEE POINT OF CONTACT \_\_\_\_\_

ADDRESS \_\_\_\_\_ PHONE (CELL NUMBER PREFERRED) \_\_\_\_\_

CITY \_\_\_\_\_ STATE \_\_\_\_\_ ZIP \_\_\_\_\_ EMAIL ADDRESS \_\_\_\_\_ APPLICATION DATE \_\_\_\_\_

Type of Permit requested:  One Trip  Annual  
Permit is for an Approved Route:  Yes  No

### Applicant shall provide the following information (attach to this form):

1. Name: Name of owner, operator, or lessee of the vehicle concerned.
2. Description of load: Manufacturer, model number, etc.
3. Identification of vehicle: License number, if registered; otherwise, serial number, unit number.
4. Capacity: The licensed capacity of the vehicle is subject to registration if overweight is involved.
5. Map: Provide a map showing the preferred route. List the origin, destination, and names of roads to be traveled.
6. Date(s) of movement.
7. If House Trailer: License number if privately owned.
8. Insurance: Evidence of insurance, if required.
9. Necessity for movement.
10. Special Instructions: Special instructions regarding the address to which permit is to be sent and any other pertinent information.
11. Other Permits: Copies of Permits issued by other agencies for this load.
12. Sketch: Provide a sketch of the vehicle and load showing the following:
  - a. Physical dimensions, including height, width, and length.
  - b. Axle spacing
  - c. Tire size and configuration
  - d. Axle group loadings
  - e. Gross vehicle weight

## SECTION II – STANDARD CONDITIONS

1. A permit is required for any loads exceeding the limits of Idaho Code §49-1001 (loads) and §49-1010 (size).
2. Permittee is responsible for damage to roads per Idaho Code §49-1006.
3. Permitting and fees are required per Idaho Code §49-1004.
4. No permit will be issued where axle group loadings exceed Idaho Code §49-1010 limits, except where applicant provides an analysis showing the load will not damage the ballast section or structures of the route to be traveled.
5. Permit is valid only on indicated/approved routes. If the route on the application is not approved. Permittee must submit a route consideration request to the Buhl Highway District. The District must approve a route prior to issuing an over-legal permit.
6. The permit shall be subject to termination on all, or any portion of the designated roads set forth herein, by the Director upon two (2) hours verbal notice to the designated representative of the Permittee at the phone number provided on this form. Verbal notice shall be immediately followed by written notice. The decision to terminate shall be based on the conditions of the road(s). The Permittee is entitled to request a review of the Director's decision to terminate.
7. Any actions or situations deemed dangerous by the Director will, upon verbal and/or written demand, cause immediate temporary or full termination of the Permit.
8. Any sign damage done by Permittee shall be reported immediately to the Buhl Highway District.
